## When I am Tempted to Use

Check off the situations in which you would be most tempted to use drugs or alcohol. Write in your own situations if you don't see them listed.

 When I am having withdrawals
 When I want to have just one drink
 When I want to see if I can handle using in moderation
 When I have a headache
 When I am worrying about something
 When I have a dream about drugs
 When I am tired
 When I'm in pain
 When I'm depressed
 When I'm angry
 When I want to relax
 When I'm at a party
 When I see drugs and alcohol on TV
 When I'm happy
 When my friends are using
 When I am on vacation
When I am bored
